

AIRWAY LEADS DAY

A joint RCoA and DAS event

5 March 2020

RCoA, London

The Royal College of Anaesthetists and Difficult Airway Society are delighted to announce the fourth Airway Leads Day.

Join fellow airway leads from across the country to share best practice, address key topics and discuss what's new and what's controversial in the field of airway management.

Plus, don't miss the call for examples of best practice and the chance to present at the event.

Our airway workshops provide you with the opportunity to obtain, maintain and enhance difficult airway management skills within a small group teaching environment. Supportive and expert faculty provide a hands-on and interactive approach to learning, enabling you to learn and practice core technical and non-technical skills including:

- flexible bronchoscopy
- supraglottic airway devices
- front-of-neck access (FONA)
- awake tracheal intubation
- videolaryngoscopy
- airway guidelines
- human factors.

Appropriate for all grades of anaesthetists in training, specialty doctors and consultants.
