

After the Final

Friday 3 April 2020

Venue: The Studio, Birmingham
Clinical Content Leads: Dr Peeyush Kumar

Hear from recently appointed consultants on how to build your career in various sub-specialties of anaesthesia. They will provide you with more insight into various clinical sub-specialties such as paediatrics, neuroanaesthesia, cardiothoracics and intensive care, in order to **make a more informed career decision**. Experienced anaesthetic consultants will provide **practical information on non-clinical work** and other ways to **improve your CV** to make yourself stand out for consultant jobs.
