

25–27 February 2020

**Venue:** Royal College of Anaesthetists, London

**Registration:** £520 (£210 per day) – discounted rates available

**Clinical Content Leads:** Professor Pierre Foëx and Dr Vassilis Athanassoglou

Stay ahead of the curve and join us for three days of new ideas in anaesthesia, critical care and pain management. Discover new developments on the horizon from today's thought leaders and learn how best to combat the growing issues you will face in your anaesthetic practice.

Join us in February to connect with and question the specialty experts, discuss your experiences with peers, and bring back new ideas that will improve your own practice.

#### Feedback from our recent sell-out events:

**'A great way to get an overview of all the changes happening in our specialty'**

*Updates London, September 2019*

**'Fantastic event, simple useful updates on a good range of topics for the general anaesthetist'**

*Updates London, February 2019*
