---

The Royal College of Anaesthetists in partnership with the Royal College of Surgeons have designed an intensive one-day induction programme for MTI trainees who have recently started their NHS placements in the UK. Presentations and discussions will cover the following topics:

- Welcome to UK practice workshop delivered by the GMC
- An introduction to the RCoA
- How to make maximise your UK training
- An overview of the FRCA and the Lifelong Learning Platform
- Cultural differences: overcoming the challenge
- Understanding the NHS environment
- What to do after the MTI programme

**This event is CPD approved.**
