

ACCS Trainee Day

Tuesday 28th April 2020

Venue: Royal College of Anaesthetists, London

Registration: £15

Clinical Content Leads: Ben Stretch and Suzanne Harrogate (trainee representatives). Karine Zander and Dan Becker (Co-Chairs IACCST)

ACCS trainees CT1 to CT3 from Emergency Medicine, Anaesthesia and Acute Medicine

This year the trainee day is “**Shock**” themed to cover one of the key major presentations from the ACCS curriculum.

We have a selection of nationally and internationally recognized speakers from a variety of backgrounds. This year, we will be running the day as a series of theoretical case presentations by experts in their respective fields. These cases have been chosen to illustrate a range of important clinical presentations of life-threatening illness related to the theme of “**shock**”.
