

Ethics and Law for Anaesthetists

Wednesday, 11 March 2020

Venue: Royal College of Anaesthetists, London

Registration: £225 (£170 for RCoA-registered anaesthetists-in-training)

Clinical Content Leads: Dr Rehana Iqbal and Dr Elizabeth Combeer

Medico-legal and ethical dilemmas in clinical practice are increasingly common and many doctors feel ill-equipped to manage them. Join us for a day of lectures and case-based discussions that will address some of the key principles of medical ethics and law, and also give you the opportunity to apply these principles to a range of common scenarios.

With topics including **confidentiality**, **medical manslaughter**, **organ donation**, **resource allocation** and **end-of-life decisions**, this event will provide insight into current issues affecting anaesthetists' and intensivists' practice.
