

Dr Yogita Chikermane

Consultant Anaesthetist

**Birmingham Heartlands Hospital and
Solihull Hospital – University Hospitals of
Birmingham NHS Trust**

Yogita has been a Consultant Anaesthetist since 2009 with a special interest in obstetrics, paediatrics and education.

She is a Senior Academy tutor for fifth year medical students, teaches medical students during their anaesthetic block and is involved in fifth year Human Factor training.

At post graduate level her teaching commitments include organising and teaching on the Primary FRCA for the Warwickshire School of Anaesthesia (WSoA). She develops simulation based assessment programmes for Hollier Simulation Centre and is a regular teacher and director on ALS/APLS courses.

She is also involved in teaching paramedics at Coventry University on paramedic anaesthesia.
