

Overview

Anaesthetists are invited to submit an abstract for a presentation or e-poster presentation at the Virtual **Winter Symposium 2020** taking place on 3-4 December 2020. If you have worked on a project or have an interesting clinical case, submit an abstract for a chance to showcase your work as part of the main programme of the conference.

Topic

This year's topic is **"Innovation during COVID-19"**

Eligibility

The competition is open to foundation medical students, trainee and consultant anaesthetists.

Prize

Five winning entries will be chosen to give a five-minute "quick fire" presentation to showcase their work to an online audience of over 100.

Free entry to the conference on the day of the presentation

An amazon voucher for the winner and runner-up.

How to enter

- Submit a copy of your abstract, as an attachment to events@rcoa.ac.uk along with a signed copy of the form below
- Please ensure you follow the abstract preparation guidelines on page 2, as failure to do so could result in your entry being disqualified from the competition.

What happens next?

- The closing date for entries will be midnight **on 13 November 2020**
- A panel of RCoA judges will assess all submitted abstracts. Authors will be notified by **28 November 2020** if they have been invited to display their poster at the **Virtual Winter Symposium 2020**.
- The five highest scoring authors will be invited to give a 5 minute presentation of their work as part of the "quick-fire" innovation session at the Symposium.
- Please follow the poster preparation guidelines on page 3, failure to follow the guidelines could result in disqualification from the competition

Key information

- Please note that only one author will be invited to present, though it is understood that other individuals may have contributed towards the poster content.
- Previously published work or work that has already been presented at a national meeting will not be considered for presentation. Work that has been presented at hospital, school, or regional meetings will be considered.

I _____ (print name) certify that the research submitted has not been previously presented at a major meeting or published.

I confirm that all the authors listed support the submission of this abstract to the RCoA **XXXXXXXX**.

Note: signatures/electronic signatures are preferred; however typed names in the signature field will be accepted as certification of this statement.

Abstract Preparation Guidelines

All abstracts submitted must follow these guidelines

Abstract format

- Single A4 sheet
- Plain text, rich text or Microsoft Word
- 12 point font
- Times New Roman font
- 2.5cm margins
- Single line spacing
- A blank line separating paragraphs
- One table or figure is permitted, these should be incorporated into the document and the text should be reduced accordingly to accommodate these within the A4 page allowance
Note: Images/figures may be embedded within MS Word documents or may be sent separately as .jpg or .gif files

Abstracts must include

- Abstract title
- All authors' initials, last names and place where work was carried out
- The text of the abstract should not contain headings, but should follow a general progression through background, methods, results and conclusion
- If a figure or picture or table is used; caption (same font guidelines as above apply)
- A maximum of 5 References; listed and cited as specified by the British Journal of Anaesthesia
- Acknowledgement of sources of funding
- The following statement (if applicable and true): "This study received ethics committee approval or was conducted under the Animal (Scientific Procedures) Act (1986) (include licence numbers) or equivalent."

Poster Preparation Guidelines

Authors selected to display a poster at the event must present their research in greater detail than in the abstract and should not simply reproduce the text contained in the abstract. There is no limit on figures/pictures/tables in the poster.

Poster format

- A0 size
- Portrait (vertical) format
- Posters should contain no more than 750 words, including title, authors and references
- Professionally printed onto a single sheet and laminated

Posters must include

- References; listed and cited as specified by the British Journal of Anaesthesia
- A caption if a figure or picture or table is used
- Acknowledgement of sources of funding
- The following statement (if applicable and true): "This study received ethics committee approval or was conducted under the Animal (Scientific Procedures) Act (1986) (include licence numbers) or equivalent."
- A content structure that progresses through: title, authors, institution, methods, results, conclusion, acknowledgements and references

Other information

- The presenting author will receive a certificate of presentation for producing and presenting a poster and may be entitled to claim CPD credits internally. You are advised to liaise with your appraiser. For enquiries regarding RCoA CPD accreditation please contact the CPD coordinator at CPD@rcoa.ac.uk.
