

Anaesthetic Updates

Thursday 19 November 2020

Theme: Delivering perioperative care during the COVID-19 pandemic

Clinical Content Leads: Dr Nagendra Prasad

This online event will bring you high quality education and speakers in a digital interactive format. You can expect:

- Lectures from experts in their field
- Interactive features to compliment your learning experience
- Access to the lectures for 2 weeks prior and 4 weeks post event
- An interactive, high quality session on the day of the event

Speakers will record their lectures for you to view, at your own convenience, prior to the event date. These will comprise of x8 twenty minute lectures, which will be available 2 weeks before the event. You should view them all before the event date. On the day, the programme will split into two sessions, with the speakers discussing their topics and providing you with the chance to ask questions.
