

Anaesthesia Research 2020

24 November 2020

Venue: Online

Registration: £10

Clinical Content Lead: Professor Mike Grocott, Southampton

Join us in November in a new online format, as we bring together the following groups to highlight anaesthetic research from the past year, as well as interactive discussion on moving the research landscape back to normality post-COVID.

- National Institute for Academic Anaesthesia (NIAA)
- Anaesthetic Research Society (ARS)
- Health Services Research Centre (HSRC)
- UK Perioperative Medicine Clinical Network Trials (POMCTN)
- Association of Anaesthetists

On the event day, log in from the comfort of your own home, your office, or any where that is convenient, to watch research presentations and put your questions to the speakers in a live interactive webinar. All you need is an internet connection and a quiet room.
