

Anaesthetic Updates

24 – 25 February 2021

#RCoAUpdates 

10 CPD credits

Clinical Content Leads: Professor Pierre Foex & Dr Vassilis Athanassoglou

Stay ahead of the curve and join us for two days of new ideas in anaesthesia, critical care and pain management. Discover new developments on the horizon from today's thought leaders and learn how best to combat the growing issues you will face in your anaesthetic practice.

Join us in February to connect with and question the specialty experts and bring back new ideas that will improve your own practice.

Anaesthetic Updates

Wednesday 24 February 2021
