

ACCS Trainees Day - webinar

16th December 2020

Venue: Online | GoToWebinar

Registration: Free

Clinical Content Leads: Dr Ben Stretch

This event is free for ACCS trainees and is worth one day of study leave.

There will be an online question and answer session with the Intercollegiate Committee for ACCS Training. Finally, there will be an electronic poster competition for Acute Care related quality improvement project - submissions should be made by the **closing date of 5th December** via email to benjamin.stretch@nhs.net.
