

## Anaesthetic Updates

23–24 March 2021

**Venue:** Online, Zoom

**Registration:** £260 for two days (£160 for one day; discounted rates available)

**Clinical Content Leads:** Dr Akbar Vohra, Manchester

Join us online for a broad overview of important anaesthetic topics at basic and advanced levels. The programme has been designed to enable you to maintain and develop your clinical knowledge and practice to support improved patient care, and to enable progress for your revalidation requirements.

### Topics will include

- Managing work-life balance
- Orthopaedic anaesthesia
- Management of paediatric patients
- Investigating and optimising patients in the perioperative period
- Specialist updates:
  - Vascular surgery
  - Performing nerve blocks
  - Emergency laparotomy
  - Obstetric anaesthesia
  - Difficult airways
