

RCoA/SSA Joint Winter Meeting

Wednesday 24 November 2021

Venue: Online, Zoom

Registration: £120 for SSA/RCoA members (discounted rates available)

Join us online this year for the Joint Winter Meeting organised by the Scottish Society of Anaesthetists and the RCoA. This event will cover a variety of topics relevant to anaesthetists of all grades:

- Dental anaesthesia for adults with profound learning disability
- ECGs of concern to the anaesthetist
- Regional anaesthesia
- Research in anaesthesia
 - National Emergency Warning Score (NEWS)
 - Big Data research
 - Keeping the momentum going
- Emerging from the pandemic
- Perioperative cardiac arrest and NAP7
