

Anaesthetic Updates

18–20 October 2021

Venue: The Studio, 7 Cannon Street, Birmingham, B2 5EP

Registration: £535 (£215 per day) for RCoA members (discounts available)

Clinical Content Leads: Dr Toni Brunning and Dr Menanta van Velze

Stay ahead of the curve and join us for three days of new ideas in anaesthesia, critical care and pain management. Discover new developments on the horizon from today's thought leaders and learn how best to combat the growing issues you will face in your anaesthetic practice.

Join us in Birmingham this October to connect with and question the specialty experts, discuss your experiences with peers, and bring back new ideas that will improve your own practice.

Feedback from previous events:

'Excellent use of study leave time' - *Anaesthetic Updates attendee, Birmingham November 2019*

'An excellent course covering a vast section of topics with some inspiring speakers' - *Anaesthetic Updates attendee, London February 2020*
