

Airway Workshop

22 February 2022

Venue: Royal College of Anaesthetists, London

Clinical Content Lead: Dr Ravi Bhagrath, Consultant Anaesthetist, Barts Health NHS Trust, London

Our Airway Workshops provide you with the opportunity to obtain, maintain and enhance difficult airway management skills within a small group teaching environment. Supportive and expert faculty provide a hands-on and interactive approach to learning, enabling you to learn and practice core technical and non-technical skills including:

- flexible bronchoscopy
- supraglottic airway devices
- awake tracheal intubation
- videolaryngoscopy
- front-of-neck access
- human factors
- airway guidelines.

Equipment for this workshop has been kindly provided by:
