

New to the NHS Meeting (Online)

Wednesday 20 April 2022

Location: Online, Zoom

Registration: £0 (Free event)

The Royal College of Anaesthetists is pleased to invite newly-appointed MTI doctors to attend the New to the NHS Meeting. This event aims to help doctors who are new to the NHS understand their role and responsibilities and how they will interact within the NHS.

The meeting will be an opportunity to reflect on the talks, discuss the main themes and ask questions to speakers. This will also offer a networking opportunity.
