

Online Anaesthetic Updates | 28-29 March 2022

Venue: Online

Registration: Zoom

Clinical Content Leads: Dr Achuthan Sajayan and Professor Cyprian Mendonca

Join us online for this spring at our two-day Anaesthetic updates event. Stay ahead of curve on the new developments on day-to-day practice of anaesthesia, pain management and critical care. Discover practical tips in providing safe perioperative care from experts in the field.. Topics to be covered include

- Cytoreductive colorectal surgery
- Wellbeing and ergonomics in anaesthesia
- Total intravenous anaesthesia
- ERAS in Orthopaedic anaesthesia
- New techniques in airway management
- Critically ill obstetric patient

Keynote addresses by internationally renowned Anaesthetists:

- Professor Elizabeth Behringer - 'Extubation in the Critically Ill'
- Professor Mary Mushambi – 'Controversies in Obstetric Anaesthesia'
