

Wednesday 28 – Friday 30 September 2022

Venue: RCoA, London

Clinical Content Leads: Dr John Williams and Dr Stuart Gold

Stay ahead of the curve and join us for 3-days of new ideas in anaesthesia, critical care and pain management. Discover new developments on the horizon from today's expert specialists and learn how to best combat the central issues you will face in your anaesthetic practice.

Join us in September to connect with and question the specialty experts, discuss your experiences with peers, and bring back new ideas that will improve your own practice.

Feedback from previous Anaesthetic Updates events:

'An excellent selection of high quality talks for the general anaesthetist' - Anaesthetic Updates attendee, March 2022

'Compact lectures, covering a wide range of topics, giving key points to help educate and improve our practice' - Anaesthetic Updates attendee, February 2022

'Great CPD that I will take back to clinical practice' - Anaesthetic Updates attendee, January 2022
