

After the Final FRCA: Making the most of ST5-ST7

Wednesday 13 September 2023 | Online

- **Clinical Content Lead:** Dr Peeyush Kumar
- Hear from recently appointed consultants on how to build your career in anaesthesia. You will gain valuable insight into various clinical sub-specialties such as obstetrics, paediatrics, neuroanaesthesia, cardiothoracic anaesthesia, intensive care medicine and pain medicine, enabling you to **make a more informed career decision**. In addition, the importance of your own **wellbeing** and getting the **work/life balance** right will be discussed along with ways in which to **build your portfolio and CV**.
