

Co-opted Member for RCPCH's PICM ISAC

Closing date: 9am Monday 5th February 2024

The Royal College of Anaesthetists (RCoA) is looking to nominate a co-opted member for the Royal College of Paediatrics and Child Health's (RCPCH) Paediatric Intensive Care Medicine Intercollegiate Specialty Advisory Committee (PICM ISAC).

PICM ISAC assists the RCPCH's Education and Training Division in developing and delivering training and assessment standards as determined by the GMC. A full description of the function of the Committee is included in the Terms of Reference. Committee members usually serve for three years with the possibility of a two-year extension subject to approval. The Committee usually meets two to three times per year.

College representatives are individuals with a specific set of skills or experience in an area relevant to the specialty. They generally represent the interests and views of the College and its membership at an appointed external committee or group for which they have particular expertise and will provide input into external consultations and surveys.

Person specification

We are looking for candidates who meet the following criteria:

- A member in good standing of the College and in good standing with the GMC, with a current licence to practice
- Holder of a consultant or SAS post in a relevant specialty with regular sessional commitment to PICM or paediatric retrieval
- Holder of a CCT in Anaesthesia or equivalent
- Undertaking training in PICM
- Knowledge, experience and enthusiasm for the training of postgraduate doctors in PICM
- Experience of leadership and service improvement

How to apply

To apply, please take a look at the Terms of Reference and email Claire Flatt at cflatt@rcoa.ac.uk with:

- a brief CV (maximum 2 pages)
- a supporting statement (up to 650 words) demonstrating how you meet the criteria in the person specification.

Applications will be shortlisted by a panel which includes members of the RCoA's Clinical Quality and Research Board. Applications will be assessed against the requirements listed in the person specification.
