

LLP Logbook Changes (Phase 1) - Case Anaesthetic

Please Note: These changes only apply to an **Anaesthetic Case**. We plan to make further changes to other areas of the Logbook in later phases.

Change	Description
<p>Defaults to current Date and Time</p>	<p>When you create a new case, the current Date and Time period will automatically be selected.</p> <p>The Time section has also been realigned to the right of the form:</p> <div data-bbox="715 797 1426 1043" style="border: 1px solid #ccc; padding: 5px;"> <p>When did I do the case?</p> <p>Date For example: 25 04 2017</p> <p>Day Month Year</p> <p>14 04 2024 📅 ✕</p> <p>Time</p> <p><input checked="" type="checkbox"/> Morning (0800-1300)</p> <p><input type="checkbox"/> Afternoon (1300-1800)</p> <p><input type="checkbox"/> Evening (1800-2200) <input type="checkbox"/> Night (2200-0800)</p> </div>

<p>Addition of new Specialties and Operations</p>	<p>The following three Specialties and their associated Operations have been added for Primary Specialty (others can be added in the future):</p> <ul style="list-style-type: none"> • Bariatric • Breast • Hepatobiliary
<p>Ability to request additional Operations</p>	<p>If the Operation you require is not listed under your currently chosen Primary Specialty, you can email the Lifelong team:</p> <div data-bbox="715 833 1485 1052" style="border: 1px solid black; padding: 5px;"> <p>Primary Specialty</p> <p>Bariatric</p> <p>Operation (Bariatric)</p> <p>If the operation is not listed please email the title of the operation to lifelong@rcoa.ac.uk and we will add it.</p> <p>Please select</p> </div>
<p>Expanded Mode of anaesthesia options</p>	<p>Several new Mode of anaesthesia options have been added to the drop-down menu (scroll to the bottom of the menu to view them all):</p> <div data-bbox="715 1252 1485 1648" style="border: 1px solid black; padding: 5px;"> <p>Mode of anaesthesia</p> <p>Please select</p> <p>Please select</p> <p>GA Volatile Mask</p> <p>GA Volatile Supraglottic SV</p> <p>GA Volatile Supraglottic IPPV</p> <p>GA Volatile ETT SV</p> </div>
<p>Addition of Equipment (optional) section</p>	<p>A new Equipment (optional) section will appear below Mode of anaesthesia. You will be able to select one from the following four types of equipment:</p>

	<div data-bbox="730 360 1425 613"> <p>Equipment (optional)</p> <p><input type="radio"/> Standard Laryngoscope <input type="radio"/> Video Laryngoscope</p> <p><input type="radio"/> Fibreoptic Scope <input type="radio"/> Rigid Fibrescope</p> </div>
<p>Addition of Breathing (optional) section</p>	<p>A new Breathing (optional) section will appear below the Equipment section. You will be able to select one from the following four choices:</p> <div data-bbox="730 853 1425 1151"> <p>Breathing (optional)</p> <p><input type="radio"/> Spontaneous Ventilation <input type="radio"/> IPPV</p> <p><input type="radio"/> Jet Ventilation <input type="radio"/> High Flow Oxygen</p> </div>
<p>Addition of Intubation (optional) section</p>	<p>A new Intubation (optional) section will appear below the Breathing section. You will be able to select from the following two choices:</p> <div data-bbox="730 1391 1272 1581"> <p>Intubation (optional)</p> <p><input type="radio"/> Asleep <input type="radio"/> Awake</p> </div>
<p>Addition of further Procedure Types</p>	<p>If you have answered Yes to “Have you performed one or more procedures?” you will be able to select from the following additional Procedure types:</p> <ul style="list-style-type: none"> • RSI • Emergency front of neck access • Needle thoracocentesis • Chest drain insertion

	<ul style="list-style-type: none"> • Percutaneous tracheostomy
<p>Addition of Cardiac output monitoring</p>	<p>If you have answered Yes to “Have you performed one or more procedures?” you will be able to select if Cardiac output monitoring was used and add any relevant notes:</p> <div data-bbox="715 600 1257 965" style="border: 1px solid black; padding: 10px;"> <p>Cardiac output monitoring</p> <p> <input checked="" type="radio"/> Yes <input type="radio"/> No </p> <p>Procedure notes</p> <div style="border: 1px solid black; height: 40px; width: 100%;"></div> </div>
<p>Addition of Significant event section</p>	<p>A new Significant event section will appear below the Procedure section. If you select Yes, you will be able to choose one from the following nine Significant event types:</p> <div data-bbox="715 1234 1453 1998" style="border: 1px solid black; padding: 10px;"> <p>Significant event</p> <p>Did a significant event occur during this case?</p> <p> <input checked="" type="radio"/> Yes <input type="radio"/> No </p> <p>Significant event type</p> <p>What type of significant event occurred during this case?</p> <p> <input type="radio"/> Cardiac arrest <input type="radio"/> Anaphylaxis <input type="radio"/> Can't intubate </p> <p> <input type="radio"/> Can't oxygenate <input type="radio"/> Local anaesthetic systemic toxicity </p> <p> <input type="radio"/> Malignant hyperthermia <input checked="" type="radio"/> Drug error </p> <p> <input type="radio"/> High / total spinal <input type="radio"/> Never event </p> </div>

<p>Ability to Save and duplicate log</p>	<p>You can now choose from two save options:</p> <ol style="list-style-type: none"> 1. Save log - to save the case you are currently editing. 2. Save and duplicate log - if you need to create multiple similar Logbook cases. <div data-bbox="724 680 1378 763" style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <div style="display: flex; justify-content: space-around;"> <div style="background-color: #4a4a8a; color: white; padding: 5px 15px; border-radius: 3px;">Save log</div> <div style="background-color: #4a4a8a; color: white; padding: 5px 15px; border-radius: 3px;">Save and duplicate log</div> </div> </div> <p>The second option will save the current log and automatically create/open another copy for you to edit and then save. You can continue to Save and duplicate the log being edited until you have as many copies as needed.</p>
<p>Removal of Secondary Specialty section</p>	<p>The Was there a secondary specialty? section has been removed.</p> <div data-bbox="718 1164 1209 1388" style="border: 1px solid black; padding: 10px; margin: 10px 0;"> <p>Was there a secondary specialty?</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="background-color: #d3d3d3; padding: 5px 15px; border-radius: 3px;"><input type="radio"/> Yes</div> <div style="font-size: 48px; color: red; font-weight: bold; margin: 0 10px;">X</div> <div style="background-color: #d3d3d3; padding: 5px 15px; border-radius: 3px;"><input type="radio"/> No</div> </div> </div>
<p>Updated Summary Report and Download</p>	<p>All the additional Case Anaesthetic options are included in the logbook Summary Report and Download file where applicable.</p>

If you have any questions or suggestions, please email Lifelong@rcoa.ac.uk
