

Programmes and sites recognised for Portfolio Pathway (CESR)

This document details programmes and sites which have been recognised for Portfolio Pathway (formally CESR) by the College. The information is updated on a monthly basis and includes a direct link for further information where this has been supplied by the provider, although the College is not responsible for the content of any other website linked to from this document.

The College welcomes applications for Portfolio Pathway programmes recognition. There is no charge and the Portfolio Pathway programme is reviewed by the Portfolio Pathway Executive Committee. Recognised programmes are eligible to use the Portfolio Pathway Recognition logo in their supporting and promotional material. [Click here to find out how you can make an application.](#)

Some programmes listed below have capacity for doctors outside their programme to undertake placements and obtain specialist KSEs. Please contact them using the details provided to find out more.
