

## New College Tutors' Meeting

09 & 10 January 2025

**Venue:** Royal College of Anaesthetists, London

**Event Organisers:** Dr Oliver Daly and Dr Rachael Hopper

The New Tutors Training Programme aims to help newly appointed Tutors understand their role and responsibilities and how they interact with the College. It will also include discussions and workshops on current training issues: Lifelong Learning, Exams, Assessments and Feedback, Public Sector Equality Duty (PSED) and the Trainee in difficulty. In addition, there will be an opportunity for Tutors to raise particular issues which may be of concern to them.
