

Diary of Events accredited for CPD by the Royal College of Anaesthetists

This Diary details events which have been accredited for CPD by the College. The Diary is updated on a weekly basis and includes a direct link for further information where this has been supplied by the event provider, although the College is not responsible for the content of any other websites linked to from this Diary. For reference, all events which have been accredited in the past seven days or have had their date changed will be highlighted.

There are multiple benefits in receiving CPD event accreditation by the College, including that all applications receive a technical content check by a clinician CPD Assessor and that accredited events are featured here and also in the College's [Lifelong Learning Platform](#). CPD accredited events can be mapped to the [Framework of CPD Skills](#) and the College's "Accredited" logo can be used as a quality assurance mark for them.

CPD accreditation is available for both face-to-face and 'virtual' events, the latter requiring there to be some form of interactive learning – e.g. the opportunity for participants to be able to directly ask questions of the faculty either at the end of each of their sessions and/or in a scheduled round-up session or panel discussion at the end.

EFFECTIVE FROM 1 AUGUST 2026, SOME CHANGES HAVE BEEN MADE TO THE COLLEGE'S CPD EVENT ACCREDITATION SCHEME, PLEASE CLICK [HERE](#) TO READ MORE.
