

## Royal College of Anaesthetists, London Tuesday 1 October 2019

Clinical Content Lead: Dr Sock Koh

#RCoAAaE

5 CPD credits

'Anaesthetists as Educators: An Introduction' provides an introduction to post graduate medical education in anaesthesia. The course is suitable for trainees, SAS doctors and consultants who have had no previous training in teaching or medical education. This introductory course provides the ground work for the 'Anaesthetists as Educators: Teaching and Training in the Workplace' course, which is a highly interactive natural follow on workshop which centres around your own real life experiences

***If you are intending to apply for Membership of the Academy of Medical Educators, you will need to attend both this Course and the two-day Teaching and Training in the Workplace course and to complete both homeworks. Both courses should be completed within 18 months. In order to attend the Teaching and Training in the Workplace Course, you should be a Senior Trainee, ST5 and above.
