

Anaesthetists as Educators: Simulation Unplugged

Wednesday 9 March 2023

Venue: Online

Registration: £175 (£135 for registered anaesthetists-in-training)

Clinical Content Leads: Dr Alistair Hellewell and Dr Alistair May

The Simulation Unplugged course has been designed for those interested in developing their knowledge and skills in teaching educational Simulation.

The course debunks simulation myths and gets back to the nuts and bolts of what you and your learners need.

Develop your skills in simulation-based training on our AaE: Simulation Unplugged course and gain practical ideas you can put into practice in your own workplace.

Topics covered:

- application of educational theory to simulation practice.
- spectrum and scope of simulation.
- range and appropriate level of fidelity.
- techniques and requirements for effective simulation.
- resources required for a successful simulation project.

Suitable for **all** anaesthetists with an interest in simulation.
